

## All Through the Night

D G Em A  
Sleep my child and peace attend thee  
G A D  
All through the night  
D G Em A  
Guardian angels God will send thee  
G A D  
All through the night

G  
Soft the drowsy hours are creeping  
Em A  
Hill and vale in slumber steeping  
D G Em A  
I my loving watch am keeping  
G A D  
All through the night

D G Em A  
While the moon her watch is keeping  
G A D  
All through the night  
D G Em A  
While the weary world is sleeping  
G A D  
All through the night

G  
O'er thy spirit gently stealing  
Em A  
Visions of delight revealing  
D G Em A  
Breathes a pure and holy feeling  
G A D  
All through the night
