How Far I'll Go

[Verse 1]
E   F#m11
I've been staring at the edge of the water
            C#m   Aadd9
'Long as I can remember, never really knowing why
E   F#m11
I wish I could be the perfect daughter
                  C#m   Aadd9
But I come back to the water, no matter how hard I try

[Pre-Chorus 1]
        C#m
Every turn I take, every trail I track
        B/F#
Every path I make, every road leads back
        E
To the place I know, where I cannot go
          Am
Where I long to be

[Chorus]
          E   B
See the line where the sky meets the sea? It calls me
            C#m   A
And no one knows, how far it goes
          E   B
If the wind in my sail on the sea stays behind me
            C#m   Am
One day I'll know, if I go there's just no telling how far I'll go

[Verse 2]
E   F#m11   C#m
I know, everybody on this island seems so happy on this island
                  Aadd9
Everything is by design
E   F#m11   C#m
I know, everybody on this island has a role on this island
                              A
So maybe I can roll with mine

[Pre-Chorus 2]
      C#m
I can lead with pride, I can make us strong
       B/F#
I'll be satisfied if I play along
          E
But the voice inside sings a different song
          Am
What is wrong with me?

[Chorus 2]
        E   B
See the light as it shines on the sea? It's blinding
           C#m   A
But no one knows, how deep it goes
        E   B
And it seems like it's calling out to me, so come find me
           C#m   A
And let me know, what's beyond that line, will I cross that line?

         F   C
See the line where the sky meets the sea? It calls me
          Dm   Bb
And no one knows, how far it goes
        F   C
If the wind in my sail on the sea stays behind me
          Dm   Bbm   F
One day I'll know, how far I'll go
